

SOCRATIC DEBATE

THE SOCRATIC METHOD: SIMPLIFIED

You should ask these questions to a group of people to get different perspectives:

1

Ask a challenging, open-ended question

2

Build on the first question by asking 'why?'

THE SOCRATIC METHOD: SIMPLIFIED

3

Come up with ideas based on these questions

4

Interrogate your ideas with continual questions

5

Repeat steps 2-4 to get closer to a better solution
